Radio Coverage Issues/Problems

If experiencing radio coverage issues, please document the locations and Received Signal Strength (RSSI) shown on the radio in the chart below:

Community/Location	Site	Mobile/Portable	RSSI	Notes

Is this the first time user has experienced radio issues in the area? Y/N _____

If no, please explain past issues with radio coverage:

Explain in detail the sound or what the display was showing on the radio (i.e. radio was “bonking” every 7 seconds):

Please provide any further details that may help to further explain the issue/problem:
